Sir,

Subject - Proposal of the Davangere City Municipal Council to entrust the Municipality to work out Departmentally through Municipal Agency the work connected with the construction of the Second Septic Tank at the place (G O No P W 1946-9/Sey 2-47-2 dated 12-8-47)

& M'As

I write to state that the work connected with the construction of the first Septic Tank near Jagalur Road had been sanctioned for Rs 62,280/- in G O No P W 1946-9/Sany 2-47-2 dated 12th August 1947 and taken up through the Agency of the Sanitary Engineering Department Bureau of Sanitary Engineering, Bangalore and that the execution of this work had been disposed of to Sri Sanna Hanumanthappa, a local contractor, on tender basis by the Department referred to above

It may be stated in this connection that on account of the bad workmanship of this contractor, the Septic Tank work under reference did not even withstand and serve for one year but collapsed resulting in considerable loss to the Municipality

The Council having learnt with concern that the construction of the Second Septic Tank at Davangere, is again entrusted to Sri Sanna Hanumanthappa -- notwithstanding the bad work turned out by him in the first stage It is feared that this contractor might repeat again his bad work

In view of the circumstances explained above, this aspect of the question was considered by the Municipal Council at its special meeting held on 29th July 1951 and it was resolved that for the reasons fully setforth and indicated in the body of the resolution, it is resolved that Government be requested to kindly cancel the contract of the present work of the execution of the Second Septic

tank which has been confirmed in favour of Sri Sanna Hanumanthappa and to permit the Municipal Council to take up the execution of this work Departmentally under the supervision of the Municipal Engineer, as by so doing the Municipal Council could save unnecessary and extra items of expenditure to meet the tools, plant and supervision etc charges

A copy of the resolution of the Municipal Council is herein enclosed for favour of reference

I request you, therefore, to kindly obtain early orders of Government to the present resolution of the Municipal Council

SUBJECT	RESOLUTION
xx xx xx	xx xx xx
3 Consideration of the question of requesting Government to entrust the Davangere City - Municipal Council to execute the work connected with the construction of the Septic Tank in Davangere through the Municipal Agency	This Council learns with condern that the construction of the second Septic Tank at Davangere is entrusted to the Contractor Sri Sanna Hanumanthappa who constructed the first Septic Tank at the place at a cost of Rs 62,280/- This Tank did not even serve for one year on account of the bad workmanship and that it collapsed involving heavy loss to the Municipality It is learnt that the work connected with the construction of the Second Septic Tank is again entrusted to the same Contractor It is feared that the contractor might repeat the same bad work Further though 1½ years have lapsed after the work was entrusted to him, no progress is made in the matter of its construction In view of the circumstances explained above, it is unanimously resolved that Government be requested to kindly cancel the present contract now confirmed in favour of the persons referred to above and to permit this Municipal Council to take up this work and execute it departmentally under the supervision of the Municipal Engineer who is of the cadre of Assistant Engineer Further the scheme of underground drainage work is put into execution and the Septic Tank should immediately be constructed The Council is not in favour of the work being done through the P W D Agency as it would involve undue delay in the executionof the work
